

## **NEWSLETTER JULY 16, 2020**

The Santa Fe Pickleball Club now has 159 members and we would like to thank everyone for joining. As you know, Coronavirus forced us to postpone our inaugural luncheon and first annual board meeting. Rest assured, however; your dues are being well spent on website maintenance as of now. We still plan on hosting ladders, clinics and hopefully tournaments once we pass these rough waters.

In the meantime, we are also working with the city to try to obtain some public 100% pickleball-devoted courts. We will keep you posted.

Santa Fe has a new ambassador to the USA Pickleball Association – our own Cindy Lawton. Cindy, who has a Master’s Degree in Physical Therapy, has been playing pickleball for 3 years and brings an avid devotion to the game. She and her husband Jon and Mexican Hairless dog Chaka recently moved into a new home they built in the northeast foothills of Santa Fe. Jon put together our website and keeps it regularly updated.

As you should know, the State has mandated wearing masks even when participating in sports, so please keep that in mind. The more we agree to abide by these decrees, the sooner things will get back to normal.

One pickleballer asked where there were tennis courts with a backboard for solo practice. We believe the only such public court is located at Atalaya Park south of Canyon Road.

Last, but not least, our club has been given a discount code from Pickleball Central. You save, and we benefit! Use discount code CRSantaFePC to receive 5% off and the club will get 5% of the cost of your order in the form of an end-of-year gift certificate.

Also, don't forget to make Santa Fe Pickleball Club your designated Amazon Smile recipient!

Check our website for quick updates and more information:
